

## GUJARATI LITERARY CIRCLE- ANNUAL REPORT 2016-17

### Annual Report 2016-17:

Gujarati literary circle started with its first event “Aaswaad” which was the very first food festival of Podar College. Food items like jalebifafda, dhokla, khandvi, thepla, bhel, jaljirapaani were amongst the delicious food items that were sold. Gujaratis as well as Non Gujaratis had come together to volunteer the event by serving the food items to the students of the college. Students, teachers and staff members had attended the event. After the very successful flagship event “Aaswaad “, the forum organised a literary competition “vaatonnavada”(spin-A-yarn) where the pair of students had to spin a story out of the photos that flashed on the screen. The winners were the ones who spinned the most interesting stories. Later the forum organised “Navratri”, the festival that is close to every Gujarati’s heart. The Maharashtra Times had covered the event. The students had come to enjoy the event in a large number. The event started of with the navratri aarti and later garba was played by the students as well as teachers.
