PRINCIPAL G. P. PALEKAR was very simple, a very good human being in every way. A role model for many who joined the teaching profession when he was the head of the Institution – R. A. Podar College of Commerce and Economics, his simplicity and down-to-earth attitude to life, set an example to all in the Teaching Profession. He groomed his Colleagues and motivated them to be good Teachers and good Human Beings. His gentle and kind nature spoke volumes about his personality and his loyalty to the Institution can be best understood by the fact that he had a very humble beginning in Podar College.
