

# Quizzers' League

**Faculty in-charge:** Mrs. Sunita Panja

**Student Secretary:** Mr. Prathamesh Aiya

The Quizzers' League has had another successful year with activities well received by the enthusiastic participant crowd that R. A. Podar has always boasted of.

The Quizzers' League has stressed on being an educative and learning forum, while at the same time encompassing the participants' desire for fun and entertainment.

## 1 **Witty Gritty**

Witty Gritty was a logical reasoning quiz, conducted to evaluate the analytical skills of the students. This event was held on a digital platform. This quiz contained two rounds-elimination and final round held over two days in August 2020. Being the first event of the academic year, and the first ever-digital event amidst the Covid-19 pandemic, the event was a huge success with the participation of about 60-70 students.

## 2 **Risky Business**

Risky Business was an inter-college business quiz event with participation from all age groups. It was a digital event and held on the platform Dare2Compete, in August 2020. Participants, inter alia, included students from IITs, IIMs, and business enthusiastic employees from top corporates in India. This event took Quizzer's League and R.A Podar college to the next step on the quizzing ladder.

## 3 **The Nation wants to Know!**

'The Nation wants to know' was an intra-collegiate event, held in October 2020. It evaluated the knowledge of the Current Affairs of the students, and in turn prepared them to stay updated with all the latest news across all genres, both local and international. The event was held over 2 rounds – an elimination and a final, both of which were held digitally. The event got a warm response from the students, with a participation of about 50 students.

## 4 **Kingdom of Quizlets: Enigma 2020**

Like every year, the Quizzers League organized and conducted several events under the banner of the cultural festival of R.A Podar College, i.e. Enigma. This year, the Quizzers Arena department at Enigma Enchancia conducted four events, the brief descriptions of which are as follows:-

a The Political Conundrum

The Political Conundrum tackled the political genre of quizzing. The event consisted of an elimination round and 2 subsequent rounds. The first of these was named 'Look Who is Talking?', wherein, many well-known speeches were played and based on those videos, questions related to those events were asked. The second round was Kaun Banega Quiz Master, which was based on the famous TV show Kaun Banega Crorepati.

b Mystic Sports

This event covered the sports aspect of quizzes. It involved participants playing an elimination round, followed by 2 other rounds, namely - 2 Truths and 1 Lie which had two correct statements and one incorrect statement about a sports personality. Participants had to guess the incorrect one. The second round was a sports auction, wherein participants had to form their own team by fighting for players in the auction, which could be bought by answering questions based on them.

c Binge Ballista

Binge Ballista was based on the world of Entertainment, comprising 2 rounds. The first round consisted of two sub rounds What's That Sound? and Magnoscopic which was held using a PowerPoint Presentation shared over a Zoom Call. Five participants qualified for the final round, which was a board game named 'The Tempest'.

d Kingpin

This was the flagship event of Quizzers Arena 2020. It included a treasure hunt and engaged the top two winners of each event. This was held on the last day of Enigma and saw crowd support and cheering both from all the qualified contingents.

2020 being the year of the global pandemic, while everyone was sitting at home, making Dalgona coffee and Instagram reels, we, at Quizzers League strived our best to conduct as many events as possible using the digital mediums, and we got great responses from all participants. Overall, it was a successful year for Quizzing, and we hope to take quizzing to larger and wider audiences in the coming years. #happyquizzing.
