#### **4. TARGETS FOR UPCOMING YEAR**

The Artists' Guild Committee plans to retain the existing awards and titles. At the same time, achieving more laurels is the primary aim. In the academic year 2022-23, Artists' Guild committee managed to pull off our annual cultural festival 'Enigma' with a grand success in an offline setting. We plan to continue the legacy. In order to ensure efficiency in the management of events and festivals, we plan to prepare teams and maintain a contingent database for ease at work throughout the year.

The next edition of the Youth Festival will also be in just a few months. Hence, we plan to conduct the auditions with zest and enthusiasm. Our target is to bring back the winning trophy, and along with that, we aim to bring back the sectional trophies for music, dance, theatre, fine arts, and literary arts.
