Details of projects under DLLE:

Career Project (CP)

Each student selected a different career for their project. The students made presentations on various careers and submitted a career project brochure of 40 pages. The students also interviewed people who are already pursuing the same career as they had selected which gave them knowledge about opportunities in different careers.

Status of Women in Society (SWS)

Students under SWS project surveyed women, based on the format of the interview which has been given by the University of Mumbai. Each student

submitted their projects on time. Each project included surveys of 40 women and 2-3 photographs with women respondents and the student. This project helped create social awareness in students about the status of women and the problems faced by them in society.

Population Education Club (PEC)

The students organised 2 programs at community level and 2 programs at college level and submitted a report about their experiences and learning outcome. This project helped them to learn management skills and organization skills.

Estrade – Inter-Collegiate Fest:

This year, for the second time, the department organised an online intra and inter-college fest 'Estrade' wherein 25 colleges all over Mumbai participated. The theme for this year was Incredible India, celebrating 75 years of independence, 'Azadi ka Amrit Mahotsav'. The fest was for spreading awareness among the community and providing education and knowledge through the activities conducted.

The winners of Estrade are as follows:
