On 8th August, 2018, the Admission Counsellor of Frankfurt School of Finance and Management was invited to inform the students about studying and working in Germany. The talk started off by a discussion on Germany and the reasons to attend the school. Ms. Wood covered the general requirements to study in Germany and spoke about the admission procedure to study at Frankfurt school. She even made the German education system clear for international students. She spoke about the various scholarships offered to international students. Ms. Shrutika gave a detailed talk about the bachelor as well as the master courses provided by the school.

On 27th September, 2018, Mr. Siddharth Sabapathy was invited to inform the students about his experience in Germany. The talk began with a discussion on the sports management course he did in Leipzig University, Germany. He also covered the general requirements to study in Germany and spoke about the admission procedure to study there as well as the opportunities available for students in Germany as well as India in the field of sports. This was followed by a Q&A session.

On 1st October, 2018, a German movie named 'Der ganz große Traum' was screened for the junior college students who thoroughly enjoyed the drama of the movie. The movie is a light hearted movie on an Oxford-educated instructor who uses soccer to teach vocabulary to his pupils. The movie had very basic German spoken throughout. We also provided English subtitles for non-German students.
