About the Forum:

Podar Pageant, our annual college magazine, continues to serve as a vibrant platform for writers, poets, artists, photographers, and thinkers within our college community. Each edition of the magazine celebrates creativity, expression, and the diverse perspectives of our students.

This year, we encouraged students to explore their boundless creativity and enrich the magazine with their unique perspectives, insightful reflections, and inspiring potential. Through their contributions, students have once again demonstrated the power of ideas and expression in shaping a meaningful academic and cultural dialogue.

As we move forward, we are delighted to unveil this year's theme:

“Ananta: Where Everything Begins, Again”

About the Theme:

The theme for this year's edition, “Ananta: Where Everything Begins, Again,” invites students to reflect upon the idea of infinite possibilities, renewal, and the continuous cycle of growth and discovery. Derived from the Sanskrit word meaning endless or infinite, Ananta symbolizes the limitless nature of creativity, imagination, and human potential. It encourages us to look beyond boundaries and recognize that every ending carries the seed of a new beginning.

The theme takes a thoughtful glance at the relentless and ever-flowing energies that surround us. It reflects the resilience of the human spirit, our minds, our souls, and our determination to move forward day after day despite challenges and uncertainties. At the same time, Ananta reminds us of the vastness of the universe itself, an ever-expanding realm filled with countless possibilities and wonders waiting to be explored. Just as the universe continues to grow and evolve, so too does human thought, creativity, and aspiration.

Through stories, poems, artworks, and reflections, this year's edition of Podar Pageant captures the essence of this theme by celebrating imagination, perseverance, and the boundless opportunities that lie ahead. The Magazine is slated to be launched in early April 2026 through our Principal Prof. Vinita Pimpale and Faculty-in-charge Dr. (Mrs.) Vrushali Kaneri accompanied by the Magazine team.
