Ganeshotsav Mandal of R.A.Podar College organises Ganeshotsav in the college every year and attempts to give a social message through the festival and create a platform for students to showcase their talent and learn new things.

Event name: - Ganeshotsav

Day and date: - 8th of July, 27th and 28th August

Venue: - Auditorium of R.A Podar College of Commerce and Economics

Description: -

"Dharma protects those who protect it." It emphasises that upholding righteousness, truth, and duty brings divine or cosmic protection. This theme teaches that living with integrity ensures both personal and societal harmony.

When individuals stand by dharma, even in adversity, they gain inner strength and resilience. It reflects the idea of moral reciprocity — what you uphold, upholds you. Rooted in ancient scriptures, this theme remains relevant in guiding ethical living today.

Like every year, the occasion of PatPujan took place on the 8th of July, 2025. On the day of PatPujan, the theme for the current year was revealed. The decoration and setup were inspired by our theme.

On September 19, 2023, Lord Ganesha's idol was brought into the college with the traditional Dhol-Tasha, followed by Pranpratishta, Pooja and Aarti. The auditorium was filled with devotees and excitement to seek Bappa's darshan

On September 20, 2023, theme-based cultural events were held at the college. Students showcase their talent through drama, singing, and dance. After the cultural events, Mahaprasad was arranged for all the devotees. Felicitations are done by the young karyakarta's of Podar Ganeshotsav Mandal to the Respected Teacher's, Principle and Notable Alumini's.

Finally, after the final Aarti, it was time for our Bappa's procession. With the traditional Dhol-Tasha, we immersed the idol of our Bappa in an artificial pond near our college. Ganeshotsav, as always, was filled with a lot of emotions and joy.
