Ganeshotsav 2022 - the most awaited and enthusiastic festival of the year 2022. It began with पाटपजन सोहळा on 11th July, 2022.

Furthermore, like every year, for one and half days, ie., on 31st August and 1st September, 2022 Ganpati Bappa was in our campus. The decorations were in line with the decided theme - देव माझा जन्मदाता and were completely eco- friendly.

On 31st August, 2022 Lord Ganesha's idol was brought in the college with the traditional Dhol - tasha followed by Pooja and Aarti. The auditorium was filled with devotees and excitement to seek Bappa's Darshan.

On the second day, theme-based cultural events were held at the college. Students had showcased their talent through drama, singing, and dance. After the cultural events, Mahaprasad was arranged for every devotee.

Ganeshotsav Mandal also set up contests for Mehendi and Rangoli for all students from junior college to degree college. Finally, after the final Aarti, it was time for our Bappa's procession. With the traditional dhol tasha, we immersed the idol of our Bappa in an artificial pond near our college.

Truly, Ganeshotsav, a festival filled with a lot of emotions and joy.
