About the Forum:

Inclusive education is an approach wherein students with special needs pursue their academic journey alongside neurotypical students within the same institutional framework. It promotes equal access to participation and opportunity for all learners. Students with physical and/or developmental challenges may require structured academic support and accommodations.

The Inclusive Cell of R.A. Podar College of Commerce and Economics (Empowered Autonomous) is committed to ensuring that such students experience not only academic accessibility but also a fulfilling and empowering college life. The Cell works actively to provide examination support and awareness-driven initiatives to foster an inclusive campus environment.

MATH-O-PIONEER:

(In association with the Mathematics Association of Podar – MathMatrix)

Date: 5th August, 2025

Time: 11:00 am Onwards

Venue: M1, R.A.Podar College of Commerce & Economics, Matunga, Mumbai.

As part of the annual mathematics fest **MatheMatrix**, organized by the Mathematics Association of R.A. Podar College of Commerce and Economics (Empowered Autonomous), the Inclusive Cell collaborated to conduct a special inclusive event titled “**Math-O-Pioneer.**”

Math-O-Pioneer was conceptualized as an inclusive academic platform designed to encourage participation from visually impaired students. The event aimed to demonstrate that analytical thinking, logical reasoning, and mathematical aptitude transcend physical limitations when provided with the right support systems.

Event Structure:

The competition consisted of engaging and accessible rounds designed to promote analytical thinking and collaborative participation:

- **Mathematics-based Snake and Ladder** – A modified version of the classic game integrated with problem-solving elements.

- **Mental Math Challenge** – A rapid-response round testing numerical reasoning and logical aptitude.

The design of the activities ensured meaningful engagement for all participants.

Chief Guest & Felicitation:

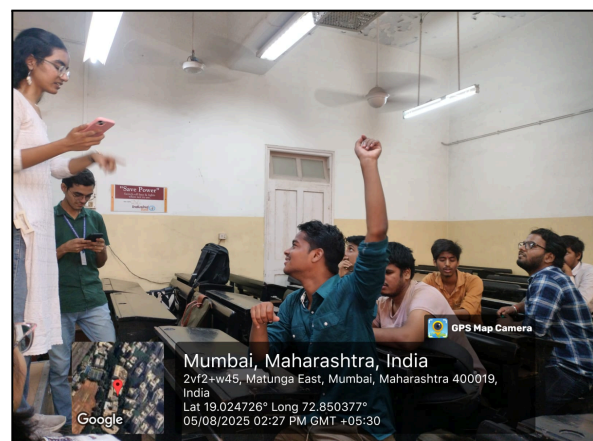

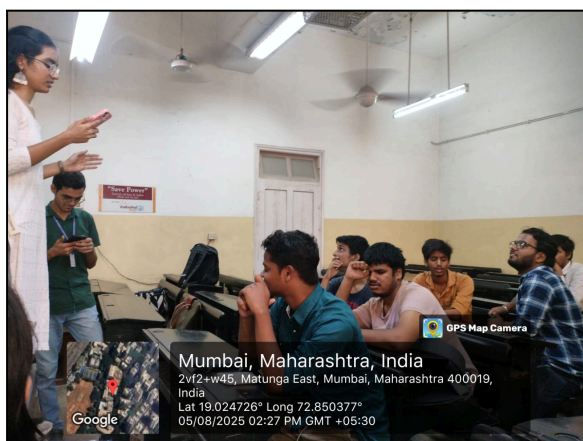

The event was graced by **Sandesh Bhingarde**, Founder of **Team Vision Foundation**, as the Chief Guest.

He addressed the gathering, highlighting the significance of inclusive education and equal opportunity in academic spaces. The winners were felicitated by the Chief Guest in a formal prize distribution ceremony.

Glimpses of the Event:

Glimpses from Math-O-Pioneer showcasing active participation and inclusive engagement.

WRITERS CLUB:

One of the primary responsibilities of the Inclusive Cell is to facilitate scribe assistance for students requiring writing support during internal and university examinations. Scribes facilitated during the academic year 2025–26:

| TERM - 1 | | | | |
|---------------------|----------------|----------|-----------------|----------|
| NAME OF THE STUDENT | YEAR & PROGRAM | DATES | SCRIBE NAMES | SEMESTER |
