The Placement Cell is truly a forum of the students, by the students and for the students. The Cell is operated by the students of the College under the aegis of its Chairperson to provide Podarites with jobs of their choice.

The Placement Cell started functioning with a very clear objective of ensuring a higher placement record and a better reach to the students of the college.

To facilitate this objective, a ‘Placement Awareness Programme’ was conducted, under which, the Placement representatives visited each division of the B.Com and BMS classes to give a short presentation on the Placement Cell and its planned activities for the current year, replete with a timeline. This ensured that the students were well informed about the placement activities of the college and their part in it.

The Placement Cell conducts the following main activities in the college:
